EVENT OVERVIEW

About The Freedom Ball

On the rooftop deck, set high above the City lights of Los Angeles, we will celebrate and honor those who are committed to the fight for Freedom.

**Fifty years ago, Dr. Martin Luther King Jr. was assassinated
but his words still ring true today.**

**His was a voice for freedom, especially for civil rights and human rights.
Continuing the legacy of her uncle, Dr. Alveda King will be sharing a powerful
message pertinent for this time in history.**

**A portion of the proceeds from this event will benefit the efforts of several
very special nonprofits:**

**Million Kids, Legacy Shifters and Justice Speaks — all committed to
eradicating human trafficking and modern slavery. Their efforts have made
significant impacts in rescuing and restoring those who have suffered
unimaginable circumstances and trauma.**

**Funds raised also will help to underwrite the production of a documentary
series, *Freedom Cry*, to shine a light
on the darkness of human trafficking in America.**

**By sharing the stories of survivors, advocates
and front-line abolitionists, we hope this film inspires real change.**

Thank You

**for partnering with us as we
continue the modern-day fight for Freedom!**
